

BOOST YOUR
BRAND
WITH OUR PRODUCTS

Our Company

Established in 2000 and headquarter in Miami, Royal Sunrise International is a family-owned business with experience in manufacturing a wide variety of high-quality food packaging safety products.

Our high standards are visible in the safety of our products and practices. Our main goal is to manufacture products with the highest quality of materials by ensuring that we focus in the usage of more environmentally sustainable resources. We take great pride in the long-term commercial relationships we've built. We provide guidance and ground-breaking solutions to our customers in order to meet their sustainable targets goals.

Royal Sunrise International stands out for the exceptional service and cost-effective solutions provided to the customers. We invest in our people and process improvements to make it happen.

Who Do we Serve

We primarily serve foodservice distributors, retail and hospitality markets.

As a Certified Supplier, our sustainable products are the right choice for you.

Reusable

We can use Paper Bags to cover text books, gifts, projects and also we can reuse the paper bags for many trips to the grocery stores.

Recyclable

Paper Bags are recyclable. Do you know that more than 50% of the paper utilized in the United States is obtained from recycling.

Compostable

Paper Bags decompose causing no danger to the environment or to the wildlife
